SPONSORSHIP OPPORTUNITIES

MUD empowers people to build a more sustainable community through tool sharing and hands-on learning.
The Missoula Urban Demonstration Project (MUD) has ambitious goals for empowering our community to live more sustainably through our tool library, hands-on workshops, and demonstration site. We invite your business to support our work by becoming a sponsor today!

Your sponsorship will:

- Ensure our tool library has everything our community needs to get the job done.
- Allow us to provide classes on a variety of sustainable living topics such as carpentry, beekeeping, tree pruning, butchering, and more
- Keep our services affordable and accessible for everyone in our community
- Show your business’s commitment and support of the nonprofit community
HOW DOES SPONSORSHIP WORK?

- Unless noted, sponsorships are good for one year or a program/event's duration.
- MUD is a 501(c)3 nonprofit organization and donations are tax deductible.
- For more information or to donate please contact Casey Valencia, MUD Executive Director - director@mudproject.org

The easiest way to support our work is to become a Friend of MUD! Make a donation of any size and gifts of $1,000+ will be recognized on our onsite donor board as well as our website!
